County Commission Meetings: Second Wednesday of every Month

We currently have data and images for our documents dating back to the early 1950's available on the NDRIN site.

All of our Corner Records have been scanned, to search go to Document Type near bottom and under Search String enter "Corner" and Search Type use "Advanced Search".

Documents can be searched by Section-Township-Range. Documents after July of 2009 can be searched by the government lot number in the description and older documents do not include government lot numbers and will need to be searched using Section-Township-Range. Book types are as follows: CR-Corner Record

- D-Deeds

- L-Lease

- L-Lien

- MS-Miscellaneous

- M-Mortgage

Run on or paragraph style legal descriptions are not acceptable for recording, and will be rejected. Please list each section on a separate line.

Example: Township 131 North, Range 68 West of the fifth Principal Meridian
Section 24: E2NW4
Section 28: NW4

The NDRIN site is updated every Friday with newly recorded documents.
