Dickey County is a full member of NDRIN and has all real estate images as well as plats and surveys on the NDRIN site.

As of May 1st, we offer e-Recording with CSC, ePN, and Simplifile.

We are continuing the enduring process of updating our older documents to add the searchable data to the images on NDRIN. The NDRIN site is updated daily with newly recorded documents.

We currently have all our corner records on file with NDRIN.

Please contact us if you have problems accessing any of our records on this site.
