Instructions for Searching by Legal Description

When searching for City or Township/Subdivision, you will first need to find it on our listing under City SubdivisionList posted on the NDRIN website. In the NDRIN search field "Subdivision" you will need to enter the City/Township – Subdivision, for example:

"153-63 – Ackerman Acres"

For searching Township/Range please refer to our TownshipRangeList for available Townships in Ramsay County. When searching a **Government Lot**, please enter the lot number under the "Legal" section in the "Lot/Unit" box. The Section, Township and Range are then entered under the "PlssLegal" section.
